## Master's Message

**January 2012**

*Time for a change!* I remember when I found those words unsettling, especially when they were coming from the love of my life. But this year the officers of Wisdom Lodge have said it is “time for a change”.

One of those changes is already apparent ... this issue of the Beehive. Another change is how we communicate with the members - you are going to be hearing from us more frequently.

The price of a Stated Meeting dinner is changing. The cost is going up to \$12. We typically pay the caterer \$16 per meal.

Officer's practices are changing. There are going to be a lot more of them. But one thing that is not changing is the quality of ritual. Wisdom Lodge has a solid reputation for doing quality ritual and that will be maintained.

Past Masters John Garcia and Sal Sciortino have formed a membership development committee. Should you choose to participate leave a message with the lodge secretary and John or Sal will get back to you.

I served as Masster of this Lodge in 2001 and 2002. Prior to my installation I turned to past-master Frank McHugh seeking advice on planning stated meeting dinners and events. He pointed me in one direction - Sigrid Benes, wife of brother Ed Benes. I turned to Sigrid then as I do now and she has again made herself available. She has recruited other ladies in the lodge and they are already hard at work, planning, scheduling and creating while staying within the parameters of a tight budget.

My sincerest thanks to the installing officers Stu Wright, Master of Ceremonies and Dave Patterson, Installing Officer.. They bring the experience of skilled professionals to their tasks but cannot resist exchanging cleverness. They make a solemn ritual fun.

Gerard Shirikjian, P.M. served as Chaplain. Gerard was prompting me as I was delivering my first speech to the lodge as Master. It reminded me he was prompting me ten years ago when I was Master. Nice to have Gerard's support. - *Fraternally, Franz Rodriguez*

**Effective January 4 Stated Meeting  
Dinner price will rise to \$12 per person**

## RAISING A READER

A partnership with  **Masons  
of California**

### The Grand Master's Project 2011-2012

Grand Master Frank Loui has teamed the California Masonic Foundation with Raising a Reader in an effort to place that literacy program in 250 kindergarten classrooms, touching the lives of more than 6,000 at-risk children and their families.

Raising a Reader distributes bags filled with four books weekly to the kindergarteners' homes. About 100 books rotate into each child's home during the school year.

Individuals are invited to contribute and can do so at [freemason.org/RaisingAReader](http://freemason.org/RaisingAReader) or by contacting Denise Avila at 415/292-9117
